- Dine on "Pizza for Peace" at Our Table Cooperative

## Sherwood Rotary Promotes Peace

Internationally, Rotary has been committed to peace since 1927 which has included working with the United Nations and funding Peace Scholars. The Sherwood Club commitment includes our Youth Exchange programs, service work in our local community, and our Partnership with Rotarians in LaPlata, Colombia.

Currently we have partnered with local organizations, churches and businesses to install Peace Poles and offer programs to promote tolerance, understanding and social justice for all.

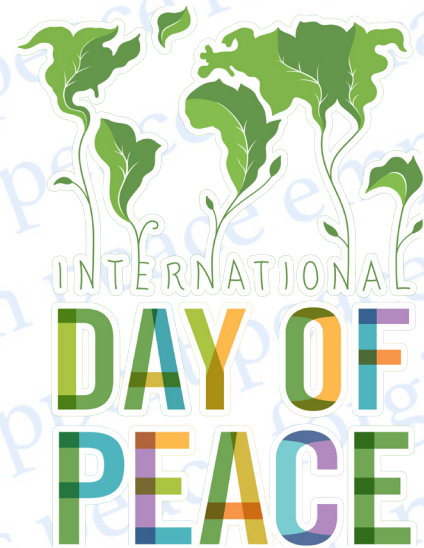

For more information on Sherwood Rotary's Peace Programs, go to our website, [www.sherwoodrotary.org](http://www.sherwoodrotary.org), or contact Wendy Wells at [wendywells7@gmail.com](mailto:wendywells7@gmail.com).
